

Café Albert Ltd

Café Albert Catering Services Offices | Private | Corporate

This is a selection of sandwich lunches, buffets and individually boxed main course salads.

If you require, all portions can be delivered in separate biodegradable lunch boxes, with disposable bamboo cutlery to ensure no cross contamination. Drinks are served in separate bottles, cartons, or cans to ensure no sharing of items like jugs for example.

Otherwise lunches and buffets can be served on platters like a traditional buffet.

Deliveries are made in our temperature controlled van, delivered by a member of staff in all required PPE (mask, gloves etc)

Minimum orders of 10 apply at the moment (there is the possibility this will be reduced in the future), as orders increase we will also look at expanding the range

Should you wish to discuss your catering requirements further please contact us on **01786 860333** or orders@cafealbert.co.uk
